

## HEALTH FINANCING EXPERT

**(NATIONAL, 6-PERSON MONTHS ON INTERMITTENT WITH DURATION OF 2024-2025)**

**Date:** XX July 2023

Project name: Support for COVID-19 Vaccine Delivery in Mongolia under the Asia Pacific Vaccine Access Facility

The Support for COVID-19 Vaccine Delivery in Mongolia under the Asia Pacific Vaccine Access Facility (APVAX) (the project) aims to provide the Government of Mongolia with immediate and flexible financing to purchase safe and effective vaccines against COVID-19 through APVAX and will provide financing for direct procurement of APVAX-eligible vaccines from manufacturers as well as international logistics to Mongolia. The outcome of the project is a priority for the population safely vaccinated against COVID-19. Moreover, based on Policy paper “ADB’s Support to Enhance COVID-19 Vaccine Access” and current situation of COVID and health financing challenges MOH as a PEA is proposed to use non-utilizable funds of the loan of the project “The Support for COVID-19 Vaccine Delivery in Mongolia under the Asia Pacific Vaccine Access Facility” for reestablishing disrupted essential care services including diagnostics and treatment of COVID 19 of zero dose groups (Children, pregnant women) through National Insurance scheme.

The Ministry of Health (MOH) now recruits Health Financing expert to provide technical assistance to the MOH and Health Insurance General Office (HIGO) in implementation of monitoring health insurance financing, benefit packages described in project documents for designated populations such as pregnant women, persons with disability, and older persons.

The Expert shall deliver following tasks, along with other experts:

- (i) Develop list of health services, currently funded through state funding, to be purchased by HIGO and delivered through different levels/types of healthcare providers according to project documents
- (ii) To monitor financing of the support systems for COVID-19 vaccine and routine immunization outreach
- (iii) To monitor financing of the home-based services including NCD and vaccination
- (iv) To monitor financing of health services for selected population
- (v) Work closely with the healthcare quality monitoring specialist
- (vi) Provide corresponding reports

### **A. Application submission procedure**

Interested applicants should submit an application consisting of the following documents, prepared in English and Mongolian languages:

- Cover letter (maximum 2 pages) explaining the reasons for applying for the positions, describing how the candidate’s qualification, skills and work experiences meet the selection criteria;

- Curriculum Vitae with ID photos (3x4) attached;
- 2 reference letters from a previous employer/supervisor or persons who know the candidate well;
- Copies of all diplomas and certificates;
- Other supporting documents (such as information on previously conducted similar works, proof of English language proficiency etc).

All documents should be submitted through ADB's Consultant Management System (CMS) at link: (<http://cms.adb.org/>) **on 3 August 2023.**

**Contact information:**

The Ministry of Health of Mongolia, Project implementation unit for HSDP-4,4+ and 5.  
Sukhbaatar district, Olympic Street 2,  
Extension of the Government Building-8, Room No.6  
Ulaanbaatar, Mongolia  
Tel: +976-329369

Only the short-listed candidates will be contacted and asked to have a job interview with MOH's Consultant's Selection Committee. Submission with incomplete materials will not be considered.

## **HEALTH CARE QUALITY MONITORING EXPERT**

**(NATIONAL, 6-PERSON MONTHS ON INTERMITTENT WITH DURATION OF 2024-2025)**

**Date:** XX July 2023

Project name: Support for COVID-19 Vaccine Delivery in Mongolia under the Asia Pacific Vaccine Access Facility

The Support for COVID-19 Vaccine Delivery in Mongolia under the Asia Pacific Vaccine Access Facility (APVAX) (the project) aims to provide the Government of Mongolia with immediate and flexible financing to purchase safe and effective vaccines against COVID-19 through APVAX and will provide financing for direct procurement of APVAX-eligible vaccines from manufacturers as well as international logistics to Mongolia. The outcome of the project is a priority for the population safely vaccinated against COVID-19. Moreover, based on Policy paper "ADB's Support to Enhance COVID-19 Vaccine Access" and current situation of COVID and health financing challenges MOH as a PEA is proposed to use non-utilizable funds of the loan of the project "The Support for COVID-19 Vaccine Delivery in Mongolia under the Asia Pacific Vaccine Access Facility" for reestablishing disrupted essential care services including diagnostics and treatment of COVID 19 of zero dose groups (Children, pregnant women) through National Insurance scheme.

The Ministry of Health (MOH) now recruits Health Financing expert to provide technical assistance to the MOH and Health Insurance General Office (HIGO) in implementation of monitoring health services (primary health care, home visits, DRG), benefit packages described in project documents for designated populations such as pregnant women, persons with disability, and older persons.

The Expert shall deliver following tasks, along with other experts:

- (i) Assist the HIGO to conduct claim review, using medical records received from providers according to project objectives
- (ii) Review and revise claim review criteria for each DRG, using evidence based clinical guidelines
- (iii) Perform selective medical auditing and onsite investigation for home-based services including NCD and vaccination
- (iv) To monitor service quality for COVID-19 vaccine and routine immunization outreach
- (v) Work closely with the health financing specialist
- (vi) Provide corresponding reports
